WHAT IS TYCHR?

Tychr aims at bridging the gaps in existing understanding of concepts to strengthen the fundamentals of students. We believe in imparting “laser smart problem solving approach” amongst the students. At Tychr, the knowledge is conveyed in an integrated, holistic and cross-disciplinary fashion.

We at Tychr aim at creating a custom made framework derived from assessing individual strengths and weaknesses.
WHO WE ARE?

Founder & Inquisitive Visionary

“Having guided students for more than 10 years, ”Tychr” is committed to expand horizons for career growth for school going students through its state of the art teaching methodology. along with promoting educational excellence, it aims at developing individuals that exhibit impeccable personal and professional integrity.”

Arpit Bhardwaj

VISION

At, Tychr we focus on enhancing creative and intellectual facilities of students, equipping them with desired cutting edge competencies to excel in the every dynamic 21st century and ultimately serving the global student community.
TYCHR'S COMPLETE SOLUTION

One Stop Solution for all your concerns

- Confused about your career?
- Enroll into Tychr's Academic Tutoring Program (ATP) by Certified Trainers
- Integrated Admission Program by Ivy League University Experts
- Prepare for Competitive Exams like SAT/ACT by Industry Experts
- Get into your Dream University
HOW IT WORKS?
With Tychr, learn at any time and pace from the comfort of your homes.

Step 1: Tell us what you need?

Step 2: Tutor Recommendations

Step 3: Confirmation of the trial class

Reselection if needed

Step 4: Take your free trial class

Step 5: Feedback after the trial class

Step 6: Start your session
OUR OWN T.E.S.T METHODOLOGY

THEORETICAL FRAMEWORK
The student participates in lessons from professional IBDP tutors in small batches of 5 students or fewer.

EXPLANATORY VIDEOS
After the student is comfortable with the basics, they begin to watch more explanatory videos to supplement their knowledge.

STRENGTHENING CONCEPTS
The student then begins practicing with modular assignments to reinforce their skills.

TIME BOUND TEST
Finally, the student moves on to solving question papers in exam style conditions.

SERVICES WE PROVIDE

- IBDP Tuition Classes
- IBMYP Tuition Classes
- IGCSE Tuition Classes
- A Levels Tuition Classes
- SAT Preparation
- ACT Preparation
- Advanced Placement (AP)
- College Counselling
WHAT IS INTERNATIONAL BACCALAUREATE IB?

The IB offers international education preparing students to be well informed citizens and critical thinkers. The curriculum is widely known and recognised among the world for its holistic and multidisciplinary approach to education.

Acceptance rate of IB Students into Ivy League universities is upto 18% higher than the others.
IBDP

The flagship IBDP program is for high school students aged 16-19. It is a rigorous, multidisciplinary program that prepares students for college work.

Why Choose Tychr IBDP Module

- Personalised Classes
- Step by step guidance for Internal Assessments
- Providing a plethora of ideas for CAS
- Detailed instructions for the Extended Essay
- Practising IB style past paper questions
- One on one doubt clearing sessions
IBMYP

For 11-16-year-olds, the MYP is a five year program that introduces students to varied subject areas and asks them to connect their learning to the real world.

Why Choose Tychr IBMYP Module

- Personalized tutoring sessions
- Detailed guidelines to ace the IBMYP project
- Timeline to balance studying and the project
- Assignments according to IB MYP standards
- Periodic tests to familiarise exam style questions
- Group discussions to clarify doubts

A LEVELS

The CAIE Board offers 55 A-Levels subjects, in almost any combination. A renowned international qualification that requires creative thinking, inquiry, and problem-solving skills similar to those offered by our online tuitions. If you choose, you may also give the entire A-Level unit together at the end of your 2-year course.

IGCSE

The CAIE Board offers 70 IGCSE subjects, in any combination, in over 30 different languages. A renowned international qualification aimed at ages 14-16 requires creative thinking, inquiry, and problem-solving skills similar to those offered by our online tuitions. The Core curriculum focuses on building the foundation for the subject. Meanwhile, the Extended curriculum has been designed for providing extensive knowledge on the subject.

Why Choose Tychr IGCSE Module

- Experienced tutors
- Developing problem solving skills
- Practising IGCSE style past paper questions
- Collaborative classes to revise concepts
- Guidance for exam techniques
- Prepping students for university
WHAT IS SAT?

The SAT is a standardized test used by American universities to assess students’ readiness for college. It is developed and published by the College Board. The SAT is designed to test fundamental math, reading, and writing skills that students learn in high school. The SAT is offered worldwide multiple times every year, and students can choose to take it multiple times and report their highest score to colleges.

Tychr’s SAT Preparation Module

- 20 full length practice tests
- 100 hours of instructions from SAT Experts
- Unlimited Doubt clearing sessions
- Interactive score reports
- Unique satisfaction guarantee
WHAT IS ACT?

The ACT is a standardized test used by American universities to assess students' readiness for college. It is developed and published by the ACT nonprofit. The ACT is designed to test fundamental math, reading, data analysis and writing skills that students learn in high school and will use in college. The ACT is offered worldwide multiple times every year, and students can take it as many times as they wish to.

Tychr’s ACT Preparation Module

- 11 full length practice tests
- 1200+ practice questions
- 6 hours of refresher sessions
- Interactive score reports
- Unique satisfaction guarantee
ADVANCED PLACEMENT

The College Board’s Advanced Placement (AP) program gives students the opportunity to take college-level courses while still in high-school. The program began in 1956 to help students better prepare for college. Today, about 2.8 million high-school students take AP courses every year.

Students can take AP courses in a range of subjects. Each course is roughly at the level of an introductory college course, and many U.S. colleges offer course credit for them, which means that students with sufficiently high AP scores do not need to repeat those classes in college. AP courses can also help with admissions, help students develop college skills, and allow them to try out different fields before settling on a specialization.

Why Choose Tychr AP Module

- **Individualised Classes**
- **Tutoring in over 20 AP Subjects**
- **Exam preparation guidance**
- **Practising AP style past paper questions.**
- **Peer discussions**
- **Qualified tutors to track progress**

AHAN  
IBDP CHEMISTRY HL
Chemistry was never an easy subject for me. I always had problems understanding a few topics, especially Organic Chemistry. But with TYCHR’s TEST methodology, I was able to study more systematically and in a way where I actually understood everything that I read and every test that I took.

KAUSTUBH  
IBDP MATHS AASL
Like most people, I had the most difficult time dealing with Math AA, but TYCHR has simplified the subject to a great extent. My score went up to a 6 in just 4 months.

SRI SAI  
IBMYP ENGLISH
Never thought I’d need English tutoring, but my grades proved otherwise. TYCHR provided the extra help, guiding me to better results.

SANSKRUTI  
IBDP PHYSICS HL
Physics was the toughest subject for me out of all my choices. It was a difficult one to crack. But then, I found out about TYCHR and I was beginning to become optimistic. I loved the fact that they were available whenever I needed their guidance and/or help.

REHAN  
IBDP HISTORY HL
TYCHR replaced multiple tuitions, offering expert advice for top marks. Best wishes for TYCHR’s bright future!

AARAV  
IGCSE ACCOUNTS
Initially disinterested in accounts, TYCHR made understanding possible. Despite my lack of interest, their help proved beneficial in the end.
AAHIL  
IBDP MATHS AIHL  
I was shocked to see the 7 on my Math paper. While I wasn’t very good at Math in the beginning, TYCHR’s tutor helped me and guided me, making the learning journey easier. I will be grateful to TYCHR for that.

VENYA  
IBDP MATHS AIHL  
TYCHR’s tutors never failed to satisfy my academic needs. They guided me with anything I needed help with and as a bonus, they were also very friendly.

SPARSH  
IBDP MATHS AIHL  
Math IA seemed im-possible to me. After TYCHR’s tutoring classes I saw my score shoot up to a 6 in a matter of 5 months. I was appalled with the results.

ARJUN  
IBDP MATHS AIHL  
My Math Al tutor is very attentive and caring, the scheduling is flexible, and the quality of teaching is top notch. There is no doubt in my mind that I made the right decision choosing to TYCHR.

SAHAAT  
IBDP MATHS AIHL  
I believe that getting a 7 in Math would never happen for the longest time. But with TYCHR’s unique teaching methodology, I was able to see past the difficulties and understand what was being taught.

ROHIT  
IBDP MATHS AIHL  
Math was just a bunch of alphabets in my eyes for the longest time. While it took me a lot of time to understand the math, TYCHR’s tutor made it possible. I scored a 6 and that’s because of TYCHR.
